4. Uniforms

4.1 The playing uniform and alternative playing uniform of the clubs entered in any competition conducted by HV must be approved and registered by HV. Any playing uniform so registered may only be altered with the prior approval of HV. The addition of sponsor logos on a registered uniform is considered an alteration in terms of this Rule.

4.2 The registered uniform of each Affiliate shall be worn by all of its players in all matches in competitions conducted by HV except as follows:

- (a) Goalkeepers and/or field players with goalkeeping privileges must wear a coloured shirt which in the opinion of the umpire is sufficient different in colour from that of both teams to clearly distinguish them from all other players on the field.

Goalkeepers (wearing full protective equipment) must wear this shirt or garment over any upper body protection. Elbow protection does not need to be covered by the shirt or garment.

- (b) Where the registered playing uniforms of two clubs are insufficiently distinctive, as declared by HV from time to time and detailed in a Schedule, the second named team shall wear an alternative distinctive uniform (including socks) unless by prior agreement the first named team agrees to wear an alternative uniform.
- (c) Where a club has requested and received the approval of HV to introduce a gradual change of uniform then players may continue to wear the previous uniform for a period not exceeding two (2) years from the date of approval of the change to the registered uniform and alternative uniform (if any), provided however, that all members of a team must wear a uniform of predominantly the same colour.

4.3 An Affiliate may seek the approval of HV for all or certain of its teams to wear, or display, on their uniform and/or equipment:

- (a) a sponsor's logo, and/or
- (b) graphics or lettering (for sponsor advertisement), on the shirt but not in a manner that would obscure the player's number (if any),

Provided however a prominent position of each club's uniforms must remain available for the placement of any HV sponsorship logo.

4.4 A player on the field of play must not use or be equipped with any device to receive or provide communication.
